Vows Exchanged in Pasadena Chapel Friday Evening

The marriage vows of Helen Lorraine Cann and Donald Edwin Rounds were recited last Friday night at the altar in the chapel of the First Baptist Church in Pasadena.

Miss Cann chose a gown of white satin, with bodice effect and court train. Her veil was shoulder length. Miss Cann is the daughter of Loran D. Cann of Pasadena and a kindergarten teacher at Eugene Field Elementary School in the Hastings Ranch. She also is a sister of Stanley Cann, editor of the Sierra Madre NEWS.

The vows were heard by the Rev. George W. Hill and Edward N. Qualen was soloist.

Mr. Rounds of Pasadena is a biologist with the US Atomic Energy Commission at the University of California at Los Angeles. Mr. and Mrs. Rounds will reside in Pasadena.

Engagement Told At Sorority Meeting Monday

Suzanne Reed of 258 Mariposa passed the chocolates Monday night at the chapter house of Alpha Phi sorority. Miss Reed, the daughter of Mrs. Chas. C. Reed, attended Wisconsin University and graduated from UCLA in February with a major in education.

Miss Reed's engagement to Otto Lind Jones of San Diego was announced. Mr. Jones is attending USC Dental School. He is a Kappa Alpha and belongs to the dental fraternity Delta Sigma Delta. He is the son of Mrs. Estelle Jones of San Diego. No wedding date has been announced.

EASTERN GUEST FOR EASTER

Mrs. Howell N. White, Sr. of Lakeville, Conn., will return from a week's stay in San Francisco in time to enjoy Easter with her son and family Howell N. White Jr. of E. Mira Monte.

Mrs. White is spending the winter at Miss Vannier's "House in the Orange Grove."

LOS ANGELES GUESTS

Mr. and Mrs. George Smith of Los Angeles were Sunday guests at the home of Mrs. Fannie Sea of W. Montecito. Mrs. Sea is an aunt of Mrs. Smith.

FIRE FLAMES

Passing the Sierra Madre Fire Station one would hardly realize there was any need of a fire department here. In fact, there is an element of people who wonder why we have a fire department.

This sort hardly realizes, nor do they appreciate, the enormous amount of work attached to fire prevention. Little do they think of the value of having adequate equipment and trained men at hand when needed. The kind of people who forget that fires can start easily and cause great damage and death are those who would discourage the upkeep of proper fire fighting equipment.

Because there are few fire calls and little damage, it is thought by some that good equipment is a waste. There are such kind of people—yes, sah. We know better and are very thankful that leaders of the city are in accord.

Let us hope that we wear out the trucks and other fire fighting needs by using them for drills, rather than by extinguishing fires. If we do not have fires, it is good proof that our efforts to prevent fires are successful.

We cannot, however, ever reach the stage where we can become so apathetic that we stop drills or throw away good fire equipment. In short, we should keep our fire apparatus "up to snuff."

The fire fighters will have a great time at the big shed down at the city yards next Friday evening when they get together to color eggs and fill bags with Easter candy in preparation for the Easter Party for the kiddies at the City Park on the 24th at 2 p. m.

This egg coloring bee is always a source of fun with the work. Many hands make light work and when the work is light, there is space for horseplay. And with the men of this department, it can be expected.

Sam Gorman, a former employee of the city, now retired, will fill the vats with eggs long in the afternoon, so that they will be in readiness for the gang to work on. Sam has long been a friend of the firemen and can take his own part

City to Buy Water Meters

The city this week started the legal steps necessary for purchasing approximately \$2-300 worth of water meters.

Faced with several large subdivisions coming into the city and with only a 90-day supply of meters on hand, the City Council Tuesday voted to purchase 80 meters. City Attorney T. Guy Cornyn will supervise the advertising for bids.

Councilman Herman Barter recommended the purchase of 62 3/4-inch meters and 18 5/8-inch meters.

We need your cooperation—set an example for traffic court-

when it comes to tricks. His help means much to the boys, who fully appreciate it.

One morning this week, there was an orchard of orange and lemon trees, between Lowell and Orange Grove avenue. And before noon, there was clear-ance. Just shows you how long it takes a big bulldozer to push 'em over. It's really sad to see them go—the trees, I mean.

We have a fair opportunity to better the record of the past year. It is only the first quarter of the year. To date we have had several calls, but fortunately none of much consequence. We urge an early call in case of fire, or even the smell of suspicious smoke. We'd rather get them early than get there late and suffer a heavy loss.

Our men are trained to be careful with the use of water and will not drown the furniture at the slightest sign of smoke. We find the fire before applying water. Fire training includes the care of the household goods as well as to fight the fire.

Your fire department is composed of a group of men who take a strong interest in the job. They attend drills and school on their own time to learn the latest methods of fire fighting.

We ask the residents to continue their splendid cooperation in fire prevention. This means to be alert for fire hazards and help to have them eliminated. Watch out for the danger of fire. This method has proven of great value.

Help to keep the FIRES OUT.

Grant's Pass Residents Return

Mrs. and Mrs. Herbert E. Haymaker with their two children, Judith and Lincoln, arrived in Sierra Madre Monday afternoon for an indefinite stay. The Haymakers moved to Grant's Pass, Ore., last year and enjoyed their new home there very much but Mr. Haymaker was summoned to return to Fairchild's Aerial Surveys, Inc., to take up his former position in an emergency capacity.

The Haymakers will take up residence in Sierra Madre for the Duration.

Easter Bowl Rites May Draw 20,000

An estimated 20,000 people will attend the third annual Easter sunrise service at the Rose Bowl in Pasadena Easter Sunday, March 25.

Speaker for the interdenominational service will be Dr. V. Raymond Edman, president of Wheaton College in Illinois. Congregational singing will be led by Homer Rodeheaver of Winona Lake, Ind., whose musical career with the late evangelist Billy Sunday carried him across America many times.

The Mutual Broadcasting System will carry the service over its network of 548 stations from 6 to 7 a. m. Later in the day, the last half of the service, including Dr. Edman's address, will be re-broadcast throughout the nation. The Easter service opens at 6 a. m. with a trumpet call.

PHYSICAL REHABILITATION of the handicapped child involves more than the massage table and exercise bars. It also means the kind of outdoor recreation shown being given spunky little Rita by therapist Francis Ballantyne. In California, 43 county-wide organizations affiliated with the California Society for Crippled Children are conducting year-round recreational programs as part of over-all services to crippled youngsters made possible through Easter Seals.

Sierra Madre Woman's Club Observes Birthday Dinner

Sierra Madre Woman's Club, the second oldest woman's club in the San Gabriel Valley, will celebrate its 44th birthday anniversary Wednesday, March 28th at the clubhouse.

Charter members, only seven remaining of the 53 original members, and Past-Presidents will be honored guests. The party will open with a program.

Table hostesses will be Mrs. Percy Kortcamp, Mrs. Elizabeth Turner, Mrs. Maybelle Barker, Mrs. W. H. Hull, Miss Clara Sykes, Mrs. David Dart and Mrs. Harry Owen.

Living charter members are: Mrs. Mary D. Caley, Mrs. Elizabeth Dietz, Mrs. C. W. Jones, Miss Elizabeth Steinberger and Mrs. Tascor Webster, of this city and Mrs. C. H. Baker, Pasadena, and Mrs. Edith Humphries Nelson, Corona-del-Mar.

Infant Girl Dies March 19

Private committal was at Pasadena Mausoleum for Sheila Marie Brown, infant daughter of Mr. and Mrs. David C. Brown, 113 W. Carter, who died Monday morning, March 19.

Besides her parents, the 2-day-old Sheila is survived by a brother, Douglas D. Brown, 4; the fraternal grandparents, Mr. and Mrs. A. C. Brown of Sierra Madre; and the maternal grandparents, Mr. and Mrs. William Millar of Burbank.

Grant Chapel was in charge of arrangements.

MAN ARRESTED ON DRUNK RAP

Royce Williams was given a 30-day suspended jail sentence Monday afternoon following his arrest Sunday on a drunk charge.

Police said Mr. Williams was found lying in the street near Sunnyside and Grandview.

City Judge John C. Mead reports the man was released Dec. 21 after serving a 180-day jail sentence. But on Jan. 3, he was jailed again for 90 days.

With time off for good behavior, he was at large again last week—until Sunday, anyway. Judge Mead suspended the jail sentence on condition that Mr. Williams leave town.

Mountain Camp For Easter Vacation

An Easter vacation in San Dimas Canyon, is proving a week of real activities enjoyed by Girl Scouts, Judy Ware, Sonia Lindquist, Jean McKesson, Annabelle Thayer, Jean Streuli, Betty Jean Lucas, Eleanor White, and Betty Jo Maul. Leaders in charge of the vacation are Mrs. Frank Lucas and Mrs. Charlotte Ware.

SCHOOL BOARD HIRES TEACHER

The Sierra Madre City School Board of Trustees last week approved the application of a new substitute teacher.

She is Mrs. Anne F. Lewis, primary-level teacher.

Chamber Chatter

Sierra Madre's little P. E. Station is traditional as a symbol of our city—the friendliness, the special charm and the sense of old-time stability which is our town.

A letter received by the Chamber said "The tree-shaded little P. E. Station seemed to signify something secure and simple, of those earlier days in American history when our ancestors knew the meaning of courage and religion, and life was far less complex than in this modern time."

The preservation and conversion of this little station and the square into a civic center for the enjoyment of all, have been a Chamber of Commerce project for many months, inaugurated last year under the presidency of Al Morgan. Mr. Morgan is now Chairman of the station committee, with Jacques Hahn, Manuel de la Torre, Alfred Dewey, Carl Hansen and Wm. Kinney. Under the leadership of these men and with the help of all other friends, we feel sure of the success of the project.

The plans now in preparation call for relandscaping of the grounds encircling the station with proper planting, brick walks and seating walls. The pepper trees will of course remain.

The little building will house a Chamber office as an information and courtesy center, and changing exhibits of Sierra Madre's artists will be featured. Few cities, and we would venture to say no other city of this size, have as much to offer in art works as Sierra Madre.

The Station Committee is right now figuring the down-to-earth costs and drawing the detailed plans for the conversion of the station and grounds.

These plans will then be discussed with the City Council and all other groups concerned—and the ways and means of completion will be figured out.—Sierra Madre Chamber of Commerce.

Easter Rites At St. Rita's

Easter services at St. Rita's Church were to get underway this morning. Holy Thursday, with a mass at 8:15 a. m., Fr. Leo Scheibel, C. P., said yesterday. The evening sermon will be on the Institution of the Holy Eucharist.

A Mass of the Pre-Sanctified at 8:15 a. m. will open Good Friday worship at the church tomorrow. In the afternoon, the Way of the Cross service is planned at 2:45. The Sermon of the Passion will be at 7:30 p. m.

The various Pre-Easter Blessings are planned at St. Rita's throughout Holy Saturday.

On Easter Sunday, the High (Sung) Mass will be at 6:30 a. m. followed by masses at 8:30, 10:30, and 12 noon.

Lutherans Plan Good Friday Easter Services

"If Christ Had Not Died, What Then?" will be the subject tomorrow night, March 23, for Good Friday services of the First Lutheran Church.

The Rev. H. W. Schmitt, pastor, will be in charge of the service, starting at 7:45 at the Woman's Clubhouse.

On Easter Sunday, 10:45 A. M., the Rev. Schmitt will speak on the subject, "Fact and Meaning of the Resurrection."

MOVE TO MONROVIA

Good Friday Services Set At Ascension

Three Good Friday services are planned at Episcopal Church of the Ascension for tomorrow.

At 9 a. m., the Liturgy of the Day will be observed with the Veneration of the Cross, the Reproaches, and the Mass of the Pre-Sanctified.

From 12 noon to 3 p. m., the preaching of the Passion is scheduled with Father Stephen, O. S. F., assistant superior of the Order of St. Francis, as special preacher. Father Stephen recently led the Mission at Ascension Church.

The service will consist of hymns and meditations on "The Seven Last Words of Our Lord from the Cross." Sierra Madreans who cannot stay for the entire three-hour service may enter and leave during the singing of hymns, Fr. Harley G. Smith Jr., rector, said.

Special services on Holy Saturday, March 24, will consist of Baptisms at 4 p. m., following the Blessing of the New Fire and the Paschall Candle and First Vespers of the Easter Day.

Father Smith said Easter Day Holy Communion will be celebrated at 6:30, 7:30 and 9:30 a. m. At the 9:30 service, the St. Cecilia's Girls choir will sing, and Lenten Mite boxes will be presented by children. Boys and girls will receive plants as a gift of the church. This is a family service for parents and children, the rector said.

At the 11 a. m. service, there will be a Festival Procession, Choral Eucharist and sermon by Father Smith, speaking on the subject, "The Power of the Risen Christ in Our Lives." The St. Dunstan Choristers, under the direction of Harold Chaney, will present special Easter music. Easter Day will close at 5 p. m. with Evensong and Benediction of the Blessed Sacrament.

Rites Saturday For Mrs. Learned

Services were held Saturday at Church of the Ascension for Mrs. Katherine Myers Learned of Arcadia, who passed away Wednesday, March 14.

Mrs. Learned was the mother of Mrs. Andrew Steiner of 116 Merrill. She also leaves two other daughters, a son, and six grand-children. Sixty-seven years of age, Mr. Learned had been a resident of Arcadia for eight years. She was a native of Caro, Michigan.

The Rev. Evan Scroggie officiated over the funeral services Saturday.

MOVE TO GRANDVIEW RESIDENCE

Mr. and Mrs. William B. Wilcox of Orange Drive moved last Saturday to the residence at 312 E. Grandview. This was the home of Mr. and Mrs. Dick Lees who have moved recently to Long Beach.

EASTER IN MEXICO

Miss Mary Feister, a teacher at Bethany Sunday School with Mrs. Bess Cornell, missionary home on leave who spoke at the last missionary meeting with Mrs. Jacob Witt of Lamanda Park are enjoying an Easter vacation in Mexico.

Maundy Thursday Services Planned By Presbyterians

The Easter story will come into sharp focus for members and friends of Trinity Presbyterian Church tonight, March 22, when the Maundy Thursday service is conducted at 8 p. m. at the Masonic Temple.

The communion meditation will be on the subject, "In Remembrance," with the Rev. Donald Ostrander speaking. Masons of Sierra Madre Lodge No. 408, F. and A. M., have been invited to attend the service.

On Easter Sunday morning, 11 o'clock, the Rev. Ostrander will speak on the subject, "Is There No Death?"

Emirhanian Pitches Tourney Victory For PCC Bulldogs

Bob Emirhanian, 19-year-old pitcher of the Sierra Madre VFW Raiders, had a starting role with Pasadena City College Saturday afternoon and won the game against Phoenix JC that gave the Bulldogs tournament championship honors.

Emirhanian pitched five-hit ball for eight innings, allowing only one run, while his teammates were collecting 20 runs. Final score: 20-7. The game was the final one of Azusa Civitan's Southern California Junior College baseball tourney.

Group to Study Air Raid Siren

Sierra Madre's air raid warning system came in for its share of discussion at last week's meeting of the Civil Defense Council.

S. E. Peterson stated that the fire horn signal, which was tested last month, is inadequate since it cannot be heard throughout town. He suggested that the old air raid siren be repaired, since a siren is more effective than a horn.

Mayor William A. Kinney, civil defense director, appointed Mr. Peterson to head a committee to study the problem. He will work with Jim Ware and David Sheriff.

Ball Scout Eyes Raider Players

A scout from the California State Baseball League has made three recent visits to Sierra Madre ball park and was in the stands Sunday.

According to reports, the scout has been eyeing with interest two of the Raider players, Bob Emirhanian, pitcher, and Mayo Dixon, left-fielder.

R. C. LEWIS:

We as a school district have undertaken to provide additional facilities for our school children. It is unfortunate that inflation has increased costs and that more money is now needed. We must finish what we started and to do this must vote a one-year tax increase of 30 cents per \$100 of assessed value. This should cost the average home owner not more than \$7.50.

TEA FOR MOTHERS

Mrs. George Osborn of Wilcox Rd., was hostess to Troop 11-17 Monday when a tea honoring the mothers of the group was given. Mrs. Ethel Munsterman and Mrs. Lauder are the troop leaders.

POLICE BLOTTER

Attempt suicide! Articles stolen from a car. Illegal dumping. A suspicious car. Smoke in house. Soldier lost his wallet enroute home.

Several merchants have been "Taken" by accepting bad checks.

Because she did not report that she would be away for several weeks, an investigation was made to learn if there might be a mishap. Everything was found in order. A mysterious oxygen tank near the mountains arouses suspicion. Unable to locate the owner.

A lantern on the porch. Is there any way to convince foolish people of the importance of a red lantern placed at an excavation? Is there any way?

A youthful Corporal was enjoying the freedom of a visit away from camp, but did wrong when he backed into a nice new unattended Ford, and then drove away without looking up the owner. The police found him. In spite of the fact that he is a nice boy, the offense was bad, and the judge made him promise that everything would be taken care of.

Two youths reported AWOL from Fort Ord. Local boys. Officer White investigated a mysterious light in a "vacant house" and found a man asleep on a cot inside. Investigation proved that the man was part-owner of the place.

A man looking down the barrel of a BB rifle, accidentally shot himself. Once more the famous BB is in the front. And still they are in use about this populated area.

Buchanan notified Officer White that the AWOL boys are in town. White picked them up for the Army Police.

Sierra Madre has escaped the epidemic of auto crashes that seems to prevail throughout the country. Why? It must be because drivers are aware that it is wrong to drive through a boulevard stop sign without making sure everything is safe.

Stop signs are for everyone to observe, but were it not that we sometimes get careless and selfish, stops would not be necessary. The police continue to get reports of drivers who are not too careful. These same drivers are quite careful when the police car is along the street.

Fred Lewis' little black pup was picked up at the water plant by the Humane Society, causing much anxiety among the city employees there. Never known to have left his home, the Water Plant, the little black pup gladly entered the "dog wagon" and without doubt enjoyed the ride. He did object to the odor of his cellmates, but saw a lot of strange country, when he could get next to the screen.

Arriving at the San Gabriel Poudre, he thought it kind of odd that they should take him out of the truck. He wanted to go back home to the boys of the water department. Fred, Al, Mac, Earl, and all the rest of 'em would be looking for him.

But they didn't put him back into the truck, they put him in a cage and locked the door. That scared him. He started to cry. It was no use and when darkness came there was only one thing to do. That was just pray to dog heaven that someone would come for him.

Sure 'nuff, who appears but Al Freeland. When everything was explained and the mistake was straightened out, he jumped into the arms of Al and from there to Al's car and away.

At the plat there was much jubilation and howling gladness.

Congregational Church Plans Two Services

Sierra Madre Congregational Church will observe Easter Sunday with two identical services, one at 9:30 a. m. and one at 11.

According to the Rev. Carl Smith, pastor, the first service is primarily a family service to which all children and their families, as well as other members and friends, are invited.

At the 11 o'clock worship service, children will be christened and new members received. At both services, the Chancel Choir will present Perry's "The Strife Is O'er," the Chapel Girls' Choir will sing "An Easter Alleluia," and the two choirs combined will present Cain's "Alleluia, Alleluia." Tonight, March 22, at 8 p. m., the Sacrament of the Holy Communion and the Office of Darkness will be observed. This is a symbolic ritual depicting the flight of the disciples on the first Maundy Thursday.

RESOLUTION: The Sierra Madre Teachers' Club hereby goes on record endorsing the action of the local school board in submitting to the electors of the district the proposition calling for an increased tax rate of \$30 to cover capital expenditures in connection with the new classrooms. We further pledge our wholehearted support in favor of this tax measure.

Signed:
President Saline A. Pascoe

Two Easter Services Due At Bethany

Two identical Easter services, at 10 and 11 a. m., are scheduled for Bethany Church this Sunday, the Rev. Dewey Mulholland, assistant pastor, announced yesterday.

Bringing both messages will be Dr. George E. Ladd, associate professor of New Testament at Fuller Theological Seminary, in Pasadena.

Following the 11 o'clock service, a ground-breaking ceremony will be held on the site of the church's new construction.

The identical morning services were arranged to provide sufficient space for the many who will worship at Bethany, Mr. Mulholland said. Dr. Ladd's sermon topic will be "God's Contempt for the Devil's Grants."

Dr. Ladd has served as both a pastor and professor in Massachusetts. He studied at Boston University and received his doctor of philosophy degree in Biblical and Patristic Greek at Harvard.

The Rev. Mulholland will lead the evening service, 7:30 o'clock at Bethany.

SKUTTS TO SAN DIEGO

Chas. A. Skutt of the public schools, with Mrs. Skutt and two children will spend Easter week-end with Mr. Skutt's sister and family, Mr. and Mrs. William Anderson of San Diego.

Population of City Placed At 7403

Sierra Madre's population is now 7403, according to the quarterly estimate of the population of the County Regional Planning Commission. This is an increase of 86 persons during the three-month period from October, 1950, to January. The April 1950 federal census placed Sierra Madre's population at 7288, and the 1940 census listed this city at 4581. Monrovia's population is placed at 20,602 and Arcadia's at 24,698, according to the estimate. The commission also estimated the number of dwellings in Sierra Madre for January, 1951, at 2682, as against 1767 in 1940.

Arthur H. Adams, director of planning, said this would be the commission's last quarterly population estimate because the section that has been keeping tabs on population shifts was eliminated in an economy move of the Board of Supervisors.

STUEVE AND OAKS HANDCUFF VISITORS FOR VFW WIN

Chalking up their second consecutive upset victory over "triple A" ball teams, the Sierra Madre VFW Raiders Sunday afternoon belted the Frank Mills Club by a 9-to-3 score.

Largely responsible for the wins on both Sunday afternoons were pitchers, Hal Stueve and "Mutt" Oaks. Stueve held the visitors to six hits and three runs during the four innings he played this week and Oaks went the rest of the distance allowing only one hit and no runs.

The Raiders continued to show off their hitting attack by bunting eight hits and seven runs in the first two innings. The Frank Mills Club, meanwhile, fell apart at the seams, committing seven errors and letting in three unearned runs.

"Fielding honors" of the day went to Schaefer, Kiggins, and Dixon. Schaefer and Kiggins handled 11 fielding chances between them, with the only error going to Kiggins on a hard-hit ball.

"Doctor" Larry Shepherd, Raider manager, experimented Sunday with a new infield combination to try to find one that works capably without sacrificing outfield strength. Schaefer was shifted to third, and Kiggins to short stop.

"With Jason at second base, this combination seems to be the answer to what has been a question mark for the past two

months," Shepherd said following the game Sunday.

The Raiders will remain idle next Sunday in observance of Easter.

Local Eastern Star Officers Attend S. Calif. Meeting

Worthy Matron Mrs. Grace Hinton was the guest of Mrs. Jessie E. Hickok Saturday at the luncheon of the Southern California Association Order of Eastern Star. This affair was the annual luncheon when secretaries of the Eastern Star Chapters entertain their respective worthy matrons.

The luncheon given at the Scully restaurant in Los Angeles, was honored by the Grand Worthy Matron Mrs. Lois Blodgett Tamba of Lodi, and Grand Secretary Mrs. Maud McWilliams Smith of San Francisco. All decorations were in the St. Patrick motif.

DR. MILTON VALOIS:

We have been caught in the web of inflation. An additional financial boost is necessary to achieve the completion of the new classrooms. Your "Yes" vote on March 27 will assure the children of Sierra Madre adequate classrooms.

NOREN EATON:

We all have a duty to see that adequate facilities are provided for the education of the children of our community, regardless of the cost.

I have perfect confidence in the judgment of the School Board, and if they say, as they have, that additional funds are required for this purpose I have no alternative but to support the proposed increase in the tax rate.

SPORTS ROUNDUP
by RALPH (Val) VALENCIA

DOWN THE LANES

Sierra Madre Merchants bowling team lost two last Thursday night but redeemed themselves Saturday at Alhambra in the San Gabriel Valley Tournament. The local five banded pins for a total of 2578, Ed Myatt, Joe Murphy, Andy Liscomb, all having better than 500 series, Ralph Valencia and Harry Mazzaro fell by the wayside, donating only series of 466 and 458, respectively.

Can't tell yet how the boys will come out, but with a little luck they might get in the money. I will be able to give you their tournament standing next week. Also I will give a report on the Doubles and Singles being bowled next Sunday.

ON THE FAIRWAYS

Due to the San Gabriel Bowling Tournament most of our local golfers were not able to get out Sunday. Andy Liscomb and Ed Keating were the only two available for a round of cow pasture pool. After wandering around the nearby golf courses without reservations, they were finally permitted to play at the Altadena Country Club—and I mean play golf, not shoot golf.

On the first 9 holes Andy Liscomb had a 40 and Ed Keating a 42. Not feeling to sharp and without a good alibi they decided not to try for Kingfish Kink's low of 79 and picked up and came home.

SHOT AND SHELL

I hear the Elks pistol team is preparing to travel to Lancaster for a match shoot on Sunday, April 7th. There are several trigger-happy gents, who are oiling and polishing their .38's and .45's for this event. Their names I can not find out. Could it be for military reasons?

QUICKIE

Well, it looks like the only people who are making hay these days are the cigarette people.

EASTER GUESTS

Mr. and Mrs. Vernon Dawne of 542 Manzanita are spending the Easter week-end with their son, Pfc. Vernon Dawne at Camp Cooke.

The John Buchans of 677 W. Montecito also are going to Camp Cooke, for a final week-end with their son, Sgt. John Buchan.

Mr. and Mrs. Thornton Edwards of Inglewood will be Easter dinner guests of Mrs. Edwards' parents, Mr. and Mrs. Wm. G. Hopper of 317 N. Auburn.

JOHN C. MEAD:

It is unfortunate that inflation has increased the costs of erecting the new building at Sierra Madre School and that a deficit of \$24,000 now exists. This can be paid by a special tax of 30 cents per \$100 assessed valuation and appears more expedient than accomplishing it through a bond issue, which in turn, creates additional interest charges.

BAIL SET FOR 16-YEAR-OLD BOY 'SPEEDER'

Bail was set at \$15 Saturday for a 16-year-old La Canada youth charged with driving 45 miles per hour down Sierra Madre boulevard.

Judge John C. Mead continued the case until March 31 so parents of the boy can appear in court or forfeit bail.

"In Los Angeles, you might have your driver's license suspended for driving that fast in the center of town," Judge Mead cautioned the youth.

ADULT CLASSES OPEN MONDAY

Spring semester of day and evening adult classes will begin Monday, March 26, at Monrovia-Arcadia-Duarte High School.

Vacancies exist in almost every class—with the exception of upholstery—and residents may register with their teachers when the classes meet. Schedules of classes—both academic and craft—are available at the school office.

'Benefit of Doubt' Given Local Woman

A local woman was given the "benefit of the doubt" Saturday morning by City Judge John C. Mead.

Mrs. Lydia Shugert, 360 Ramona, explained that she usually has her driver's license with her, but "just forgot it that once." Judge Mead suspended a \$2 fine.

Another motorist, Jack Lee Volmer of Monrovia was fined \$5 for driving through the stop sign at Michillinda and Sierra Madre boulevard.

STERLING T. RIPPLE:

I personally feel that an added tax increase of 30 cents per \$100 assessed valuation is a reasonable request in view of the urgent need for increased schooling facilities now.

HOME AT HEMET

Mr. and Mrs. W. J. Terhorst and family of 209 W. Laurel have purchased a walnut ranch at Hemet and expect to make their future home there. They have sold their Sierra Madre property.

Letter to the Editor

Lee Shippey,
c-o Sierra Madre News.

I am relatively a new comer to Sierra Madre, having lived here a little less than a year.

I don't know how long you have lived here, but I do know after reading your column in the News regarding the P. E. depot that you and I feel alike about this charming little town.

I can't begin to tell you how much I love Sierra Madre. I have a deeper affection for it than I do for my own home town. And that's saying a lot, Mr. Shippey, because I come from Dallas, Tex.

I would like to take this opportunity to mention the recent publication of Annals of Early Sierra Madre and urge every citizen to read it. It so stirred my interest that I have driven all over, looking up the old homes and other points of interest mentioned in the book.

My husband, my daughter and I think the beautification of the P. E. depot is a splendid idea and will do anything we can to help.

And I promise you that when my friends and relatives come from Texas, I will show them Sierra Madre—not Laguna Beach.

Sincerely,

Mrs. W. B. Nehls,
615 E. Orange Grove Ave.,

Civic Club to Elect 1951 Officers

Election of officers and several important affairs will be on the agenda of the Sierra Madre Civic Club this evening when the group meets at 8 p.m. Mrs. E. P. Quarnstrom of 455 Canon Drive will be hostess of the evening assisted by Mrs. Henry Ohs.

One-hundred and twenty Easter baskets for Santa Teresita Sanatorium will be filled during the evening. Following the annual election of officers, Mrs. Isabel Stradley of the Sierra Madre Public Library will give one of her splendid book reviews.

LEWIS NAMED TO BANK BODY

R. C. Lewis, president of the Bank of Sierra Madre and chairman of the local Red Cross Chapter, has been appointed to the nominating committee of the Independent Bankers' Association of Southern California.

The Association is composed of more than 65 community-owned banks in the Southland with total resources of more than a billion dollars.

Reunion-Picnic Calls Local 'Wolverines'

Archie Garton, president of the Michigan Society, summons "Wolverines" from this "Peninsular State" and their friends to the all-day picnic reunion Saturday, March 24, at Sycamore Grove Park in Los Angeles.

A program beginning at 1 p. m. will feature marimba music and an address by Dr. A. Watson Brown of San Diego.

JOHN E. CONZELMAN:

In just a few days—March 27th—we will be voting on a school tax measure. Little is being asked of us, but more than a little thinking is needed just now.

Actually, a sum of between three and four dollars from the average householder is being requested for but ONE YEAR, because the school board would like to operate on a pay-as-you-go basis. School building costs have increased some thirty percent throughout California, and Sierra Madre is but one of many growing cities in the State caught short in this emergency, but Sierra Madre is third from the bottom on the tax rate list of cities in the Los Angeles area.

Our standards of education are high! Good teachers, ample rooms and equipment have helped to make it so. We must continue this high level of training.

The principle of States' rights has placed the control and support of schools, rightfully, in the hands of state and local government. We cannot and must not give up this right. It is ours to have and ours to sustain.

We are a growing community. Our merchants and business men welcome this fact. Our good schools have attracted good people, and we are looking to our youth on all fronts to defend and sustain us.

We can vote for them, March 27th.

Bowers Home After 9 Months Aboard Ship

William E. Bowers Jr., radio-man second class, USN, is home this week on 12 days' leave, back in the United States after nine months' cruising in Korean waters.

The Sierra Madre bluejacket, son of Mr. and Mrs. William E. Bowers, 686 Brookside Lane, is a crew member of the USS Dixie, navy repair ship scheduled for routine overhauling at a West Coast port.

Bill had an exciting experience in January while on temporary assignment aboard a Siamese warship. The ship, cruising in company with his struck a reef and was at the mercy of communist fire. Bill's ship and units of the US Pacific Fleet stood by, however, and most of the men were rescued.

"It was good duty, though, if you like rice," Bowers recalled wryly this week. Food supplies on the Siamese ship went bad, and all they had to eat for three weeks was rice and boiled peanuts.

Bill, a former student at Pasadena City College, has been in the Navy four years. He expects to rejoin the Dixie when his leave ends.

Meanwhile, the Bowers family will spend Easter Sunday with Mrs. Bowers' sister and family, Mr. and Mrs. Ronald Williams of Long Beach.

Haskell Family Now Believes In Miracles

Del and Doris Haskell, 136 W. Carter, are convinced fate was with them one evening recently when they were driving on the Arroyo Parkway.

Driving during the peak-traffic hours just after twilight, Mr. and Mrs. Haskell were in the front seat; their 3-year-old son, Lee, sitting in back.

Suddenly, Mr. Haskell looked back to see the rear door swing open with his son clinging desperately to it. The terrified father made several unsuccessful attempts to reach the door and swing it shut and was screaming his car to a stop when the youngster dropped off.

"That's when the miracle happened," relates Mr. Haskell. "The car driving close behind mine managed to stop in time, and we picked up Lee to find he had only received one minor cut on his chin."

The small child was treated for the inch gash at Georgia Street Receiving Hospital in Los Angeles.

"It sort of makes you stop and think," reflected the happy Mr. Haskell.

VOTER APATHY COULD BE ONLY 'OPPOSITION' TUESDAY

Apathy is the only "opposition" that can beat next Tuesday's City School tax rate increase proposal.

It is an established maxim of democracy that the "no" voters do not stay away from the polls on election days. It is the "yes" voters who have a tendency to shrug their shoulders and say, "Sure, I'm for it" and let it go at that.

If there is any organized opposition to the school tax proposal, it will be out in force Tuesday. It is up to other voters—voters who want to see the school's four classrooms completed—to get the required majority.

The issue Tuesday is a clear-cut one. The School Board has assured Sierra Madreans that the tax rate increase is for one year only. It is not trying to "put over" a permanent maximum rate increase.

The NEWS sincerely urges every eligible Sierra Madrean to vote "yes" Tuesday.

It Probably Will Take Another 'Unfortunate Incident'...

It probably will take another "unfortunate incident" before the city sees the light.

A few of the older police officers still remember the night, just seven or eight years ago, when former-officer Daniel J. Rauscher was shot and seriously wounded while on routine night patrol.

Officer Rauscher was on duty alone that night. Tonight, another Sierra Madre policeman will be driving the prowl car alone—one man entrusted with the safety of 7403 people. In our opinion, it is too big a job—and a far too dangerous job—for one man.

But, it might be argued, Sierra Madreans are a law-abiding people, and one man can almost always handle the routine night assignments. Usually, that is true. But it was just such a "routine assignment" that sent Officer Rauscher to the hospital for several months and could have cost him his life. He had no way of knowing that the man who arranged to meet him had gone berserk and would start firing a rifle at him at almost point-blank range. Had there been another officer in the car, the man probably could have been overcome before the damage was done.

All right, you ask, then why doesn't Sierra Madre have more officers and be done with it? A good question, but unfortunately we cannot give you a good answer.

The city at present has five officers on its payroll plus the chief of police. The budget calls for eight officers, but two have resigned within the last three weeks. Even the adequacy of eight policemen is open to much question, in view of rising population figures. Both the resigning officers left Sierra Madre to accept jobs with the Arcadia police department.

Their reasons for leaving were these: Sierra Madre has no retirement system or civil service coverage. Officers work approximately 54 hours a week and, now, must take the added risk of being alone on most assignments. There is no classification plan—local officers are either a patrolman or chief. There is a promotion about once every generation. Also, the pay is lower than in many cities of comparable size.

With these drawbacks, there is very little incentive to stay on as a police officer here. Desirable young men usually just remain long enough to have their applications processed elsewhere.

Only the City Council has the power to improve the working conditions of the police department. But, as we said before, it probably will take another "unfortunate incident"...

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Gruelling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American sport model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

First 1st Aid Course Ends

The first in the series of first aid instruction classes came to a close last night, but the 43 Sierra Madreans who completed the course want to keep on going.

Harry Lange, first aid chairman of the Red Cross Chapter, said the men and women of the class have requested an advanced course in first aid instruction.

He reports, incidentally, an "exceptionally large" percentage of students completing the class. Usually about a third of the people signed up for the class drop out, Mr. Lange said. In this case, only six of the original enrollment of 49 dropped the course.

Mr. Lange gave much of the credit for the class' success to its instructor, Robert Curry, who was presented an engraved cigarette lighter by his students at last night's closing session.

Adopted Children's Group Will Meet

Next regular bi-monthly meeting of the Adopted Children's Association will be held Tuesday, March 27, 8 p. m., in Griffith Park auditorium, Los Feliz and Riverside Drive, Los Angeles.

Speaker will be Dr. Kurt Fanti, well-known consulting psychiatrist for the Los Angeles City Health Department.

Bev Stunden Earns John Muir Honors

Beverly Stunden, 17-year-old daughter of Mr. and Mrs. F. E. Stunden, 419 W. Grandview, has just received two honors in the John Muir College music department, Earl Narra-more, vocal director, announced this week.

The Sierra Madre coed, who is majoring in physical education and minoring in music, has been named student director of the Muir A Cappella choir and elected president of the same group. She plays both violin and piano.

Active in the college's physical education and student government activities, Miss Stunden at present is serving as Supreme Court Justice at Muir and is actively engaged in preparing music for the annual WAA aquacade to be given April 13.

In addition to her outside activities, Beverly maintains a high "B" grade average and is a member of Alpha Gamma Sigma, honorary scholastic society. She also was one of Muir's girl representatives to "Girl's State" in Sacramento last June.

Beverly went to Muir from Woodrow Wilson Junior High School where she was assistant editor of the Wilsonian, president of the 10th-grade Y-Teens, and received the American Legion Award for all-round accomplishments.

Her past two summers have been spent counseling at girls camps, Singing Pines and the Griffith Park Girls' camp. She is a member of the Sierra Madre Congregational Church Choir. Beverly plans to enter Occidental College next fall.

Major Reavis Called to Duty

Major Henry C. Reavis, 551 Sturtevant Drive, has been called to active duty under the expansion program of the US Air Force.

The Sierra Madre officer was ordered to report to the Langley Air Force Base in Virginia on Saturday, March 17.

Major Reavis formerly was with the 448th Bomb Wing (L), Air Force Reserve, recently activated at Long Beach Municipal Airport.

WRITER REVIEWS TALE OF 'UNIQUE ENTERTAINMENT'

BY ISABEL STRADLEY

"The Thirteen Clocks," by James Thurber.

"Time Lies frozen. There it is always. Then it is never Now." The Duke was afraid of Now, for Now has warmth and urgency, and Then is dead and buried. All thirteen clocks in the castle were frozen still; the Duke had murdered Time. So begins this tale of unique entertainment, partly fairy-story, partly poem, and something of a parable.

There is a character called a Golux, a Prince named Xingu, Saralinda, a beautiful Princess, and last but not least—a Todal—a thing like a blob of gup! The tale is by turns, comic, philosophical, joyous. Marc Simont has illustrated it with bewitching, haunting pictures in wonderful color.

"Collected Stories of William Faulkner."

Mr. Faulkner, winner of the Nobel Prize for Literature is one of the most esteemed of present-day American writers. The present volume contains 42 of his stories that have for sometime been unobtainable.

"John Adams and the American Revolution," by Catherine Drinker Bowen.

The author describes John Adams as "the most exciting, the most attractive, the wisest, the wittiest, the friendliest character in American history," and her book bears out every word of this description. The thrilling beginnings of the American Revolution are vividly recreated. This is a book one will want to own and treasure for it will bear re-reading through the years.

Other new books at the library are:

Non-fiction: Riddle of MacArthur, Gunther; Black Bonanza, Taylor; Plan for Peace, Clark; Defense of Western Europe, Daniels; 101 of the World's Greatest Books in Digest Form; Our Desert Neighbors, Jaeger; East of Home, Rau; Lifelong Boyhood, Miller; Once More the Thunderer, Hough; Witch Hunt, McWill-Williams; Dances and Stories of the American Indians, Mason; Old Friends and New Music, Nabokov; Women Are Here to Stay, Rogers; Innocents from Indiana, Kimbrough; Loyalty of Free Men, Barth.

Fiction: Round the Bend, Shute; Morning Journey, Hilt-on; Preacher and the Slave, Stegner; Infinite Woman, Marshall; No Survivors, Henry; Wait for Tomorrow, Wilder; Hour of Glory, Lund; Mrs. Gailey, Kaye-Smith; Web of Destiny, Elwood; Foxfire, Seton; Loved and Envied, Bag-nold; Proud Castle, Kelly.

NOTICE OF SALE OF BONDS

Notice is hereby given that sealed proposals will be received up to 3 o'clock a. m. of April 3, 1951, by the Board of Supervisors of the County of Los Angeles, State of California, in its office at 501 Hall of Records, in the City of Los Angeles, for the purchase of the following described bonds of Sierra Madre City School District of the par value of Seven Thousand Dollars (\$7,000.00). Each of said bonds will be dated August 1, 1950, and will bear interest at a rate not to exceed five per cent (5%) per annum, which shall be in multiples of one-fourth (1/4) of one per cent (1%), which rate of interest shall be determined upon the sale. The interest for the first year shall be payable in one installment at the end of said year, and all interest thereafter shall be payable semi-annually, both principal and interest to be payable in lawful money of the United States, at the Treasury of the County of Los Angeles.

Said bonds will be seven (7) in number of the denomination of One Thousand Dollars (\$1,000.00) each, payable as follows:

Bond No.	Payable
11	August 1, 1952
16	August 1, 1953
21	August 1, 1954
26	August 1, 1955
31	August 1, 1956
36	August 1, 1957
41	August 1, 1958

The bonds herein referred to were voted for the purpose of "raising money for the purchasing of school lots; the building of school buildings; the making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs; the repairing, restoring or rebuilding of any school building damaged, injured or destroyed by fire or other public calamity; the supplying of school buildings with furniture or necessary apparatus of a permanent nature; the permanent improvement of the school grounds."

Sierra Madre City School District has been acting as a school district under the laws of the State of California continuously since January 7, 1878 as Santa Anita, name changed February 18, 1902.

The assessed valuation of the taxable property in said school district for the year 1950 is \$8,345,510.00, and the amount of bonds previously issued and outstanding as of February 26, 1951 is \$151,000.00.

The percentage of tax delinquency for Sierra Madre City School District for the last five years is as follows:

1945-46	2.86%
1946-47	3.23%
1947-48	3.34%
1948-49	2.52%
1949-50	1.50%

Sierra Madre City School District includes an area of approximately 45.91 square miles, and the estimated population of said school district is 6,480.

The bonds will be sold for cash only and at not less than par and accrued interest.

Each bid must state that the bidder offers par and accrued interest to the date of delivery and state separately the premium, if any, and the rate of interest offered for the bonds bid for.

Each bid shall be for the entire amount of said bonds at a single rate of interest, and any bid for less than the entire amount of said bonds, or for varying rates of interest will be rejected.

Payment for and delivery of bonds will be made in the office of the Board of Supervisors.

A certified or cashier's check for a sum not less than 3% of the amount of the bonds bid for, payable to the order of the Chairman of the Board of Supervisors must accompany every bid as a guaranty that the bidder, if successful, will accept and pay for the bonds described in the accepted bid in accordance with the terms of his bid, and said check shall remain in the possession of the Board of Supervisors until all of said bonds are paid for. The Board also reserves the right to disregard insubstantial irregularities and technical defects in bids.

By order of the Board of Supervisors of the County of Los Angeles, State of California, adopted March 6, 1951.

HAROLD J. OSTLY,
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

Betty Boyd Wins Lions Speech Trials

Betty Boyd, 17-year-old John Muir College coed and daughter of Mr. and Mrs. Verne Brotherton, 2003 Summit avenue, Pasadena, won first place in the Sierra Madre Lions Club Student Contest Thursday night, March 15.

"The American Voters' Responsibility" was the subject of discussion by the six contestants from MAD High School and Muir. The event was the opening round of the 14th annual Student Speakers Contest of California Lions International.

Miss Boyd, if successful in zone and district competition, will then compete in the state finals. Other contestants were Elizabeth Hill, Sheila Murphy, Muir; Joyce Greive, Pat Mosser, and Jerry Eckerman, MAD. Miss Mosser, incidentally, was the Sierra Madre Lions Club's winner last year and went all the way to the finals in speech competition.

Judges of the contest included Mrs. Ione E. Ward, NEWS publisher; the Rev. Carl Smith, pastor of the Congregational Church; City Judge John C. Mead; Charles A. Skutt, superintendent of schools; Mrs. J. C.

Army Wives Still Under Treatment

Mrs. Shellah Colbert Mariotti and Mrs. Margaret LaLone, Sierra Madre Army wives seriously injured in an auto-truck collision March 1, were still undergoing hospital treatment this week.

Mrs. Mariotti is to undergo another operation on her injured eye, it was reported Tuesday. Mrs. LaLone, who last week had one of her fractured legs reset, is scheduled for treatment on her other broken leg this week.

The two women still are at Cottage Hospital in Santa Barbara.

Husbands of the injured women, 2nd Lt. Val Mariotti and Sgt. Earl LaLone, have been granted 60-day emergency orders so they can remain at Camp Cooke until their wives are able to come home. The rest of the former Sierra Madre Guardsmen are to leave this week for Japan.

McKibben of Howard's Furniture; and Mr. and Mrs. Sidney Westfall of Sierra Madre Hardware.

Ralph "Pappy" Welch, speech contest chairman of the Lions, served as master of ceremonies.

BETHANY SPEAKER TO TELL WORK AT LEPROSY COLONIES

Spiritual and social problems of leprosy will be discussed at Bethany Church next Wednesday, March 28, by Mrs. Julia Lake Kellersberger of New York City, promotional secretary for American Leprosy Missions Inc.

All Sierra Madreans are invited to hear Mrs. Kellersberger who, with her husband, Dr. E. R. Kellersberger, have traveled around the world twice since World War II and seen and ministered to more than 7000 leprosy patients. The meeting starts at 7:30 p. m.

Mrs. Kellersberger will tell human interest stories drawn from her experiences as a missionary in the Belgian Congo, 1930-40, and from her personal observations on an inspection trip of leprosy colonies in Latin America and Africa. She has visited 31 countries and covered more than 60,000 miles by air, auto, river boats, and practically every other mode of travel.

The speaker is well-known as the authoress of several inspirational and missionary books, among them, "Congo Crosses," "God's Ravens," (now in its sixth edition), "The Salt Baby," and "Betty." In her most recent book, "Doctor of the Happy Landings," co-authored by her husband, Mrs. Kellersberger tells of the interesting, compassionate, and humorous incidents of their journeys among the leper colonies.

Far from depressed from her work with lepers, Mrs. Kellersberger has been named "Mamu Musankisha," meaning "the lady who makes others happy" by patients in their leprosy colony at Bibanga in the Belgian Congo.

HARTER WCTU
From Page One
which is published in Los Angeles.

Miss Hubler is a member of the National Temperance and Prohibition Council which meets at Washington, D. C., each year. She is also secretary of the Southern California Arizona Conference Temperance Committee of the Methodist Church.

For many years Miss Hubler has made tours in this country under the auspices of Ministerial associations, the UCTU, the Christian Business Men's group, and other groups.

Last year, she toured eight countries.

Miss Hubler is an interesting speaker, spicing her talks with humor and satire and is well versed on her topic. She also is an able crusader among the Nation's Leaders working for a sober America.

"It is my conviction," says Miss Hubler, "that the liquor traffic is the greatest blot upon our civilization today. Furthermore, I am convinced that it could not continue to exist without the tacit consent of the church. When the church awakens to the fact that the liquor traffic is the greatest enemy of the church, the church should be the greatest enemy of the liquor traffic. A moral and political revolution will occur in this country."

Minutes of the Annual Conference of the Methodist Church of California each year include an indorsement of Miss Hubler's work.

Miss Olga Richenau, mezzo-soprano, recently of Latvia, now residing on W. Montecito, will give two solos on the program accompanied by Mrs. George Morgridge.

Defense Council Calls for 'Hams'

Amateur radio operators are urgently needed to help carry on emergency communications under the Sierra Madre Civil Defense program.

If you are licensed, are the holder of an expired "ham" license, or expect to apply for a license in the near future, the Civil Defense Council needs your help.

Applicants, who must be 21 years of age or older, may contact David Sheriff, CUster 5-4621, or Jim Ware, CUster 5-8112.

P-TA to Host Intercultural Panel Talks

"Why Do People Think and Believe Differently?"

Next Thursday, March 29, the Sierra Madre Parent-Teacher Association will meet at 7:45 p. m., in the school auditorium to hear a panel of five Americans: a Catholic, Jew, Christian, Negro, and Oriental.

"The panel members will comment on their likes and differences," said Mrs. Martha Coutant, P-TA publicity chairman.

"The program should add much to our understanding of peoples with varying backgrounds and beliefs."

"The Panel of Americans," is sponsored by the University Religious Conference from the University of California at Los Angeles. UCLA recently sent six panel members on a tour throughout the United States where they spoke before service groups, schools, women's organizations, and Army camps. Their moderator next Thursday night will be Mrs. Berat.

P-TA fathers will be hosts, and every Sierra Madrean is invited to attend, Mrs. Coutant said.

vital role in United Nations action this month, spearheading the counter-offensive push of March 1, 2, and 3.

Then on March 15, Major Edwards' ground forces won a day-long battle, against North Korean troops who were ambushed in their own trap. The grenade-throwing GI's inflicted heavy losses on the communists entrenched on both sides of a road.

A graduate of UCLA, Major Edwards has been on active duty with the Army since 1940. Before going overseas, the officer completed an advanced officers' course at Ft. Benning, Ga., Infantry School.

Major and Mrs. Edwards have three young daughters.

Fire Underwriters Urge 'Clean-Up'

In case of an enemy attack, your home may be menaced more by preventable fire than by bombs, the National Board of Fire Underwriters says.

As part of the annual Spring Clean-Up Week campaign, the organization offers a program of "fireproof housekeeping" which will make your home safer in peacetime and less vulnerable in the event of war.

"A major safeguard is to remove as much combustible material from the house as possible," the fire safety engineer points out. "Clean out your closets, attic, basement, and garage. Don't let rubbish accumulate."
